# MARKET PENETRATION

We want to sell it:

- Partnership with S&T AG
- Online (Fujitsu cloud app store, 1&1, our website)
- Recommendations (BNI)
- Big companies with many small deliverers (Metro, Rewe, Spar, Amazon, ...)
- Special clouds

# PAINTER CLOUD

BBI gives the painters data of their recommended products: texts, datasheets, HowTos ...

Verpura has all „normal“ features and gives over the clients borders access to the data from the BBI-client.

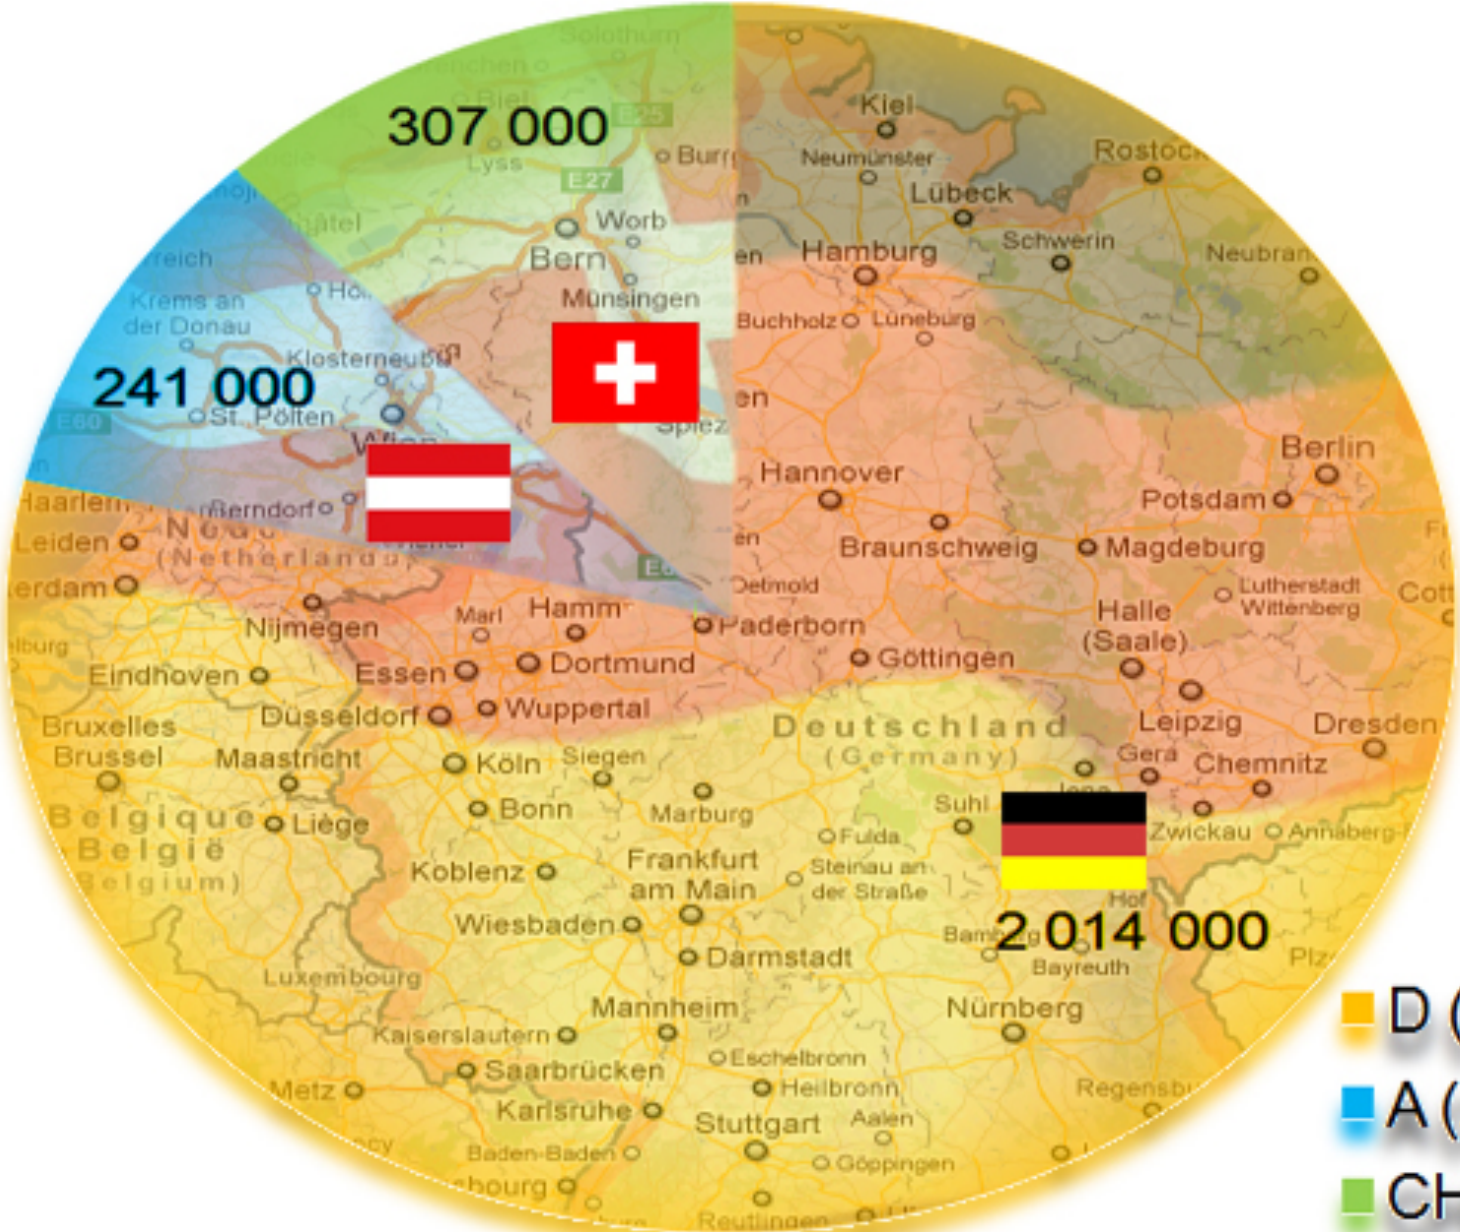

40 BBI Painters

With this the painters can very easily create professional offers, invoices, etc..

# COMPETITION

~300 ERP & CRM with ~600.000 customers are in our region. Cloud based are:

**SAGE** office line 365: is cloud based but for bigger companies. Has less CRM and office functionality.

**myfactory** \*.ON!: is cloud based but for bigger companies. Has less office functionality.

**Microsoft** dynamics NAV and AX: now in cloud but for bigger companies. Microsoft has problems with their old partners. We are Microsoft cloud partners!

# BUSINESS PROPOSAL

We are searching for a business angel which gives us € 200.000,- to increase our sales-efforts.

The investor gets the money doubled back in 2016 or 10% of the revenues if the company is sold.
